A Tradition of Giving

Since 1997, the first year medical school class of the Texas Tech University Health Sciences Center has been proud to host the City Lights Charity Benefit. In little over a decade, this event has raised more than \$247,000 for local charities. City Lights provides a time every year for the Lubbock community to come together to help those less fortunate.

This year the Class of 2013 is pleased to announce the 13th Annual City Lights Charity Ball to be held Saturday, April 24, 2010 from 6:00 pm to 12:00 am at the Overton Hotel. A silent auction and entertainment will accompany dinner, drinks, and dancing with all proceeds going to select charities.

In conjunction with the Jerry S. Rawls Golf Course, the 6th Annual City Lights Golf Tournament will be held on Friday, April 23, 2010. The tournament will be comprised of a four person scramble, a hole-in-one contest, a sports-themed silent auction, and much more.

The Rawls Golf Course is home to the Texas Tech University golf teams and has been ranked the #3 University Golf Course in America and #2 Public Golf Course in the US.

Step onto the green at one of the nation's best golf courses or enjoy an evening of fine-dining and good company at the brand new Overton Hotel. Most importantly, take part in supporting a community that needs your help.

City Lights is back. Come help Lubbock shine.

Supported Charities:

UMC Children's Hospital/Children's Miracle Network

The UMC Children's Hospital is a proud partner of Children's Miracle Network. The UMC Children's Hospital is the only Children's Burn Intensive Care Unit in the region and leads the area in trauma services. They also have a 40 bed Level 3 NICU. Through their partnership, UMC and CMN have been able to provide state-of-the-art medical technology and comprehensive services to the children of the South Plains and Eastern New Mexico for more than 25 years.

Lubbock Hope Lodge

Breaking ground in April 2009 and opening in the summer of 2010, the Lubbock Hope Lodge will provide a home away from home for thousands of cancer patients and their caregivers who travel to Lubbock each year from surrounding communities. In addition to providing lodging throughout their treatment at no charge, the Hope Lodge will also offer emotional support to patients and their families in a compassionate, nurturing environment.

Free Clinic offered by Lubbock Impact, Inc. and TTUHSC

Beginning in 2009, Lubbock Impact has strived to meet the medical needs of the underserved in Lubbock. Thanks to volunteer medical students and doctors, the clinic provides comprehensive primary care with doctor visits, free prescriptions and over the counter medications. Patients are educated on their state of health, receiving the necessary information to help cope with a diagnosis and implement healthy practices for the future. Patients are also guided through the process of applying for services such as SCHIP, Medicaid and Blue Card.

Children's Home of Lubbock

The Children's Home of Lubbock is a residential care facility for children unable to live with their families of origin because of abuse and neglect. Through generous donations, the Children's Home of Lubbock shows the previously abused children that they have worth and potential. Children at the home are encouraged to pursue higher education, to develop a strong work ethic, and to believe in their own abilities. Most importantly they are given the love and support they need to foster a healthy and happy future.
